

<b>Year 7 Terms</b>	<b>Higher</b>	<b>Foundation</b>
1	Negative Numbers, Fractions, Expressions, Venn Diagrams & Sets, Number Properties	Writing Numbers, Negative Numbers, Fractions, Expressions, Venn Diagrams, Number Properties
2	Measures & Metric Units, Angle Rules, Perimeter, Area, Order of Operations, Solve Equations, Symmetry	Measures & Metric Units, Angle Rules, Perimeter, Area, Order of Operations, Solve Equations, Symmetry
3	Coordinates, 2D Shapes & Graphs Angles Reasoning, Formulae & Substitution, Number Patterns and Sequences, Properties of 3D Shapes	Coordinates & 2D Shapes, Angle Reasoning, Formulae & Substitution, Number Patterns and Sequences, Properties of 3D Shapes
4	Volume of cubes and cuboids, Transformations, Decimal Calculations & Rounding, Written methods for Calculations	Volume of cubes and cuboids, Transformations, Decimal Calculations & Rounding, Written methods for Calculations
5	Statistical Diagrams, Add and Subtract Fractions, Averages and Range of Data, Constructing Triangles	Statistical Diagrams, Equivalent Fractions, Averages and Range of Data, Constructing Triangles
6	Fractions, Decimals and Percentages, Forming and Solving Equations, Naming parts of the Circle, Probability & Frequency Trees	Fractions, Decimals and Percentages, Forming and Solving Equations, Naming parts of the Circle, Probability & Frequency Trees, Time
