EXTRA CURRICULAR ACTIVITY - MORE INFORMATION

Art Club	Art club will run in six week cycles, each block focusing on producing a different final piece on a different topic or theme. Students will be expected to attend all 6 sessions if they sign up.
Biology - Year 13 Drop in	A drop in session for help with A level Biology- all welcome. Some students will also be asked to attend by their Biology teacher.
Chemistry Cafe	Chemistry help for yr10 and 11.
Classics Club	Beginners club for anyone interested in the ancient world - we run a whole range of activities relating to the ancient world.
Creative Writing	The creative writing club invites writers of all genres to come explore the art and craft of writing in a safe and inspirational group of fellow writers. We alternate between writer's craft and writer's workshop to allow opportunities to explore writing strategies and techniques, and share their work.
Crochet Club	For beginners learn a basic stitch and develop into shapes and made items. For the more experienced, to expand their practice and be creative. Ultimately to experiment with unconventional tools and materials to produce interesting and creative outcomes.
Drama Club	Fun club to enjoy drama.

Eco Club	We have an aim to improve the biodiversity and sustainable of the HGS site. Until half term the club will also run after school on a Thursday until 16:30.
Film Club	A chance to watch and discuss a range of foreign language films
Fridays IDEA Club	IDEA is an online qualification that is becoming increasingly well recognised and valued by employers and is a kind of digital skills based equivalent to the DofE award. There are three levels of achievement, Bronze, Silver and Gold (which is not yet fully released), all of which end with a certificate of achievement.
GSK Leaders in STEM	This is a Year 12 Club for students studying Science and participation leads to an Industrial Cadets Bronze Award.
History Support Club	Questions and support with anything to do with GCSE History. Go over exam question technique and get to grips with key skills for the GCSE.
Indoor Athletics Club	A variety of different indoor athletic events in preparation for competitions in the Spring term.
Intersectional Feminist Discussion Club	Student-lead discussion group exploring topics such as gender, activism, representation, community, equity.
Media Club	Having fun making media products such as music videos, adverts and podcasts. Bring lunch and Chromebooks.
The Memory Project	The Memory Project is a charity who wish to use art to create a kinder world. In this club you will create a piece of artwork for a child somewhere else in the world; they may have been affected by loss, conflict, natural disaster or displacement. They may be an orphan. If

	you enjoy art and want to use your creativity to connect with another young person across the world then come along and find out more about it.
Physics Olympiad	This club is invite only. In this exciting Physics club, we will discuss advanced Physics topics and prepare for the British Physics Olympiad (BPhO) national and international competitions.
Reading Group – A Level	A monthly reading group running in the autumn term. Texts and location TBC.
Scale Model / Miniature Interiors Club	Students will be learning how to make scale models and mini interiors. Students will be trained to use CAD/CAM and how to use a range of materials to make miniature sets and rooms.
Science Club	Fun science activities/practicals/demonstrations
